WELCOME MESSAGE

Dear Colleagues,

We have the great pleasure to invite you to join us for the **22nd EADO Congress** taking place as an **on-site meeting with additional virtual access** from **April 23–25, 2026** in the amazing city of **Prague, Czech Republic.**

The European Association of Dermato- Oncology Congress is the largest conference in dermatooncology, with no competing meetings in this field.

The conference provides updated scientific and clinical achievements in a wide spectrum of skin tumors including melanoma, keratinocyte carcinomas, and rare malignant neoplasms. This year, we will also be focusing more on the influence of AI in dermato-oncology.

Over 1,000 participants from Europe and around the world are expected to attend. The world's leading experts have been invited as speakers and will offer you the opportunity to gain a comprehensive insight into all areas of dermato-oncology.

Prague, the host city, is one of the most attractive cities in the world and a hotspot for visitors from everywhere.

We look forward to welcoming you in Prague in April 2026!

CALL FOR ABSTRACTS

IMPORTANT DEADLINES

January 15, 2026	Deadline for abstract submission
January 31, 2026	Start of Late-breaking & trials in progress abstract submission (until February 6, 2026)
February 13, 2026	Notification of acceptance of abstracts (incl. LBA, TIP)
January 15, 2026	Early registration fee deadline
October 15, 2026	End of on-demand service

Call for Abstracts

Abstract Submission Deadline: January 15, 2026 (06:00 pm CET)

All those interested in presenting abstracts at the 22nd EADO Congress are invited to submit their work to the Program Committee for review. Selected abstracts will be chosen for an oral presentation during the free communications sessions or as posters. **The acceptance of an abstract does not include the congress registration. Authors must be registered for the congress before March 18, 2026 in order to present their work.**

Abstract Topics

Clinical – Melanoma
Clinical – Non-Melanoma
Experimental – Melanoma
Experimental – Non-Melanoma

Abstract Guidelines

- Abstracts may be **submitted online via the congress website**. Abstracts submitted by e-mail will not be accepted.
- Abstracts must be received by the **announced deadline**. Abstracts received after the deadline will not be considered.
- The **title** should be as brief as possible but long enough to clearly indicate the nature of the study. Abbreviations must not be used in the title. The title should not be written entirely in capital letters (e.g. NOT LIKE THIS).
- Please indicate the **topic** from the abstract topics list and your preferred type of presentation (oral or poster). The Committee will endeavor to schedule abstracts according to authors' preferences but reserves the right to decide on the final form of presentation.
- Abstracts of papers previously presented at international congresses (Encores) are admissible. Authors must supply information regarding the original presentation, indicating the name of the meeting and publication number at the time of submission. The first author will be responsible for obtaining and, upon request, showing proof that written permission has been obtained from the original abstract publication(s) copyright holder. **Encore TiP abstract submissions will be accepted for poster presentation only.**

  Encore submissions must:
  - Have been presented solely in abstract form, including publication in conference proceedings.
  - Include significant additional data from the previous presentation (as determined by the review committee).
  - For TiP, continue to meet the necessary criteria
- Please structure the abstract as follows:
  - **Introduction & Objectives:** Describe the background and the purpose of the study
  - **Materials & Methods:** Describe the material and methods used to design the study
  - **Results:** Describe your results in a logical sequence
  - **Conclusions:** Emphasise new and important aspects of the study and conclusions that are drawn from them
- The text shall not exceed 3000 characters including spaces (excluding title, authors bibliography and key words). The submission program will automatically calculate the number of characters in your abstract and will not allow submissions that exceed the maximum number of characters.
- It is acceptable to include up to two **tables, graphics, or images (jpg, jpeg, png, gif format, maximum size 1,5 MB in total)** as part of the abstract.
- All abstracts must be submitted and presented in clear **English** with accurate grammar and spelling of a quality suitable for publication. Abstracts will not be edited by the Congress Secretariat prior to publication, therefore please check the grammar and spelling carefully.
- Please use generic names. **The use of commercial drug names, brands and registered trademarks are strictly prohibited**. Drugs should be referred to by the active substance or pharmacological designation.
- No mention of pharmaceutical company names should be included in the abstract.

Patient Privacy / Clinical Photography

Photographs should at all times protect the privacy and identity of the subject. Eyes should be blacked out. The source of the photographs must also be declared if not the property of the presenter. This is to prevent the use of photographic material without permission.

Oral Presentations

Selected abstracts will be chosen for an oral presentation during the free communications sessions. The presenting author does not have to be the first author.

Poster Presentation
Abstracts selected for poster will be presented as Posters during the congress at the poster exhibition. (There are no guided poster walks.)

Publication
All accepted abstracts will be published in the digital Book of Abstracts which will be available for download on the congress website from April 16, 2026 onwards. The Book of Abstract will also be published on the EADO website under Events & Training / EADO Congress after the conference.

Registration
Please note that the acceptance of an abstract does **not include** the congress registration.
At least one author must be a registered participant, otherwise the abstract will not be reviewed and waived from the program.

Abstracts Awards
The EADO is pleased to offer the following awards for abstracts submitted for oral and poster presentation:

The EADO is pleased to offer one poster prize each in the following four categories:

- Clinical Melanoma
- Clinical Non-Melanoma
- Experimental Melanoma
- Experimental Non-Melanoma

The winners will be awarded with a free registration for the EADO Congress 2027 in Vienna, as well as 500 Euro.
